

Back Story

six years old, she stands
in the wordless yard

head bowed, eating
sweets, found or given

one after another
mechanically.

Love Hearts, or Refreshers
I'd like to say they were.

Sixteen, fluoxetine.
Thirty-six, sertraline.
Citalopram. Forty-four...

her world.

I can't tell you
how much this hurts.

I can't tell you
